

A one-day spiritual retreat for the WOMEN of St. Mary's, Kutztown

Then and Now:

A Woman's YES to the Spirit

Sacred Scripture reveals the power of a woman's YES to the Holy Spirit and the transformative change this YES creates. On this retreat day, we'll look at some women of the Bible who are presented as our role models. We'll also explore ways in which the Holy Spirit invites each of us to participate in salvation history.
