

Virtual Faith Sharing Communities

St. Mary's Parish would like to encourage and invite everyone to pray and think about becoming a member of a small faith sharing community.

St. Mary's is offering online faith sharing. We will be reading, sharing and praying with the Sunday gospel reading. In this difficult time of social distancing and isolation we need to stay connected and we need to reach out and support each other. We will be talking more about this at all masses on the weekend of September 12 & 13. People will be available after mass to answer questions and take your information. If you are hungry for spiritual companionship and connection please consider joining a small faith sharing community.
