

# Witness Matters

In the Early Church, before the Gospels were written, Christians told the story of Jesus and described their own personal encounters with Him as the risen Lord.

On Aug. 24<sup>th</sup> & 25<sup>th</sup> and Sept. 7<sup>th</sup> & 8<sup>th</sup> at every Liturgy, members of St. Mary's Parish Family will be sharing their personal experiences of faith sharing. Sharing our stories deepens our relationship with Jesus and each other while bringing us together as a Parish family.

## Please join us after Liturgy

In the gathering space there will be facilitators and members of the Small Group Team to talk with, and answer any questions you may have.
