MARY'S CAFÉ: Friday, January 17 at 7p in the Religious Ed Center, all are invited to join Father John at "Mary's Cafe". Our topic will be "Invite One Back—to Hope."

In this Jubilee Year of Hope, we are called to reach out to those who have been away from the Lord and His Church. So many are lost and looking for hope, and finding only darkness or distraction. Christ is the Way the Truth and the Life. He has founded His Church to share His teaching and His grace. His mercy is for everyone, and we are called to bring others to Him. This talk will discuss these issues and more. What is a jubilee? What is Christian hope? And what are some best practices for reaching out to those who have been away?

"Mary's Café" is a great opportunity to get together with others in the parish, and grow in your faith. The talk is informal and informative, allowing time to ask questions on the topic at hand, and others as well! Light refreshments available. Plan to attend Friday, January 17 at 7p in the Religious Ed Center!

SOUP KITCHEN REPORT: Dec. 21/22 we served 250 meals of hot food: chili, rice and veggies with fruit cup, PB&J, and beverage (coffee, hot chocolate, water, milk). The patrons were very happy with our service and the gift of food. We had great workers and food. Many thanks for all donations; to those who prepared and transported the food and supplies; to those serving meals and washing pots and trays; and those who supervised. All leftover food and monies were given to Kennedy House. **Next Soup Kitchen dates: Apr. 05/06.**

SCRIPTURE REFLECTION- FR. JOHN MARIA

As the Christmas season comes to a close, the Church reflects upon the Baptism of the Lord by Saint John. No matter how often we hear the account of Jesus going to John to be baptized, it still seems odd to us. If Baptism is about recognition of sin, why did Jesus go to John? It seemed odd to John as well.

John was calling all to repentance, fulfilling His mission to prepare the people for the coming of the Messiah. There was Jesus, the Lamb of God who would take away the sins of the world. He had no sin – neither original sin nor personal sin. He did not need to repent.

In that moment, Jesus was being anointed for His mission to reconcile God and man. He did not need the waters to sanctify Him. Rather, He sanctified the waters in preparation for another Baptism that the Lord Himself would institute. St. Paul called it the "bath of rebirth and renewal."

In the Sacrament of Baptism, we are cleansed from sin and brought into a life of grace. We are made children of God. This is our identity! This week, praise God for the grace of Baptism, and renew your commitment to live out your mission as a child of God!

WORD OF LIFE: "When we encounter Christ, experience his love, and deepen our relationship with him, we become more aware of our own worth and that of others. His love for each person is cause for great joy, and growing understanding of this priceless treasure motivates us to share his love with others. Our lives are often changed by the witness of others; so too, others' lives may be changed by our witness and authentic friendship with them." ~ *USCCB Secretariat of Pro-Life Activities; "How to Build a Culture of Life"* <http://respectlife.org/culture-of-life>

REFLECTION... by Rev. Leonard N. Peterson

Whether it's the well-known writer coming to town for a book signing, or the celebrity songstress arriving at the local arena, expectation fuels anticipation, and ticket sales reach a new high. It's just a natural happening. A bit of excitement that cuts through the ordinary day to day rhythm of our lives.

But when some other event occurs, for example the funeral of a loved one, the interruption of the usual pattern triggers deep thoughts within us, whether we choose to go there or not. Then we're not as taken up by celebrity or fame. We want solid answers to serious questions. Fulfillment over fantasy.

With the coming of Christ into our world some 2,000 plus years ago, we got the best answers possible to our most serious questions. Of course, we need His very help, with trusting faith, to realize that.

To begin with, God surprised us all by coming to us in a human nature like ours in so many ways but one: it was linked mysteriously by a divine nature. Who is Jesus is easier to answer than what is He because of this dual nature in one Person.

This well-known event of His baptism at the storied Jordan river presents a problem and raises questions. If one of the purposes of Baptism is to remove original sin, what is the Son of God Himself letting His cousin John the Baptist pour the water over Him? Where is the authenticity here? There are several answers.

First is Our Lord's intent to demonstrate His humility and become an example for us. Secondly, the baptism became a way for God to confirm that Jesus was His Son. Thirdly, the baptism enabled Jesus to join our humanity by sharing in our baptism. Finally, it was the way Jesus chose to inaugurate His mission among us as the obedient Son of God. We are quite conscious of the meaning of "inauguration" this month in the political life of our country. We could say, respectfully, that as Christmas was Christ's birth and arrival, so His baptism marked His first day at work.

Several years ago, one of our astronauts who walked on the moon was asked "What were you thinking about as you stood on the moon and looked back at the earth?" The astronaut replied, "I remembered how the spacecraft was built by the lowest bidder."

We as Christians can rejoice that the work of salvation did not go to "the lowest bidder," but was performed by an infinite God. Every expectation will be met. There will never be a deficiency in His work. Alleluia!

God love you and give you His peace.
