

## Our Mission:

To bring together people to share in fellowship and to use our time and talents to create shawls that will be given away to help spread the message of God's mercy, love and compassion.

## What We Do:

- Knit or crochet prayer shawls on our own, at our own pace.
- Begin each shawl with prayers and blessings for the recipient. Intentions are continued throughout the creation of the shawl.
- Meet 3<sup>rd</sup> Tuesday of each month at 7pm at the Parish Center.
- At our meetings completed shawls receive a final blessing and we pray for all past recipients.
- Shawls are distributed by Ministry members and/or members of the parish.
- Each year the group selects a community service project.

## Prayer Shawl Ministry Members:

- Enjoy knitting and crocheting and using their skills to create something for others in need or in celebration.
- Are generous with their time and talent.

## Would You Like to Join?
